MEMORANDUM FOR: Deputy Director for Administration

FROM : Alfonso Rodriguez  
Director of Training

STATINTL

SUBJECT : 11 March Visit of American Institute  
of Aeronautics and Astronautics

1. As you know, approximately 150 members of the American Institute of Aeronautics and Astronautics (AIAA) are scheduled to visit CIA on the evening of 11 March for a buffet and Brookings-type briefing. The program follows the pattern of the recent evening program for the Harvard Business School. The program will begin with refreshments and light buffet at 1745 in the Rendezvous Room and will be followed at 1930 by a briefing in the Auditorium. The evening will conclude, after a question and answer session, at 2100. Mr. Duckett will serve as host and primary spokesman, with Mr. Proctor, Mr. Blake, Dr. Stevens, and  serving as panelists.

STAT

2. We have asked the Executive Officer of DDS&T to arrange to have at least 10 DDS&T officers participate in the evening to supplement the Office of Training staff who will be on hand to assist in escorting. The Offices of Security and Logistics have been alerted to the visit.

3. The charge to the AIAA members for the buffet (and to any CIA staff who participate) is \$5.00 per person. (Please make check payable to Executive Dining Room Fund.) The AIAA will charge its members an additional \$1.50.

4. We will be delighted to have the participation of members of your staffs, in addition to the 10 we have requested from DDS&T. We will appreciate having their names as soon as possible, so that we may have an accurate count for the dining room.

ADMINISTRATIVE - INTERNAL USE ONLY

5. Attached is a copy of the AIAA announcement of the visit together with lists of the names of their members who will participate.
